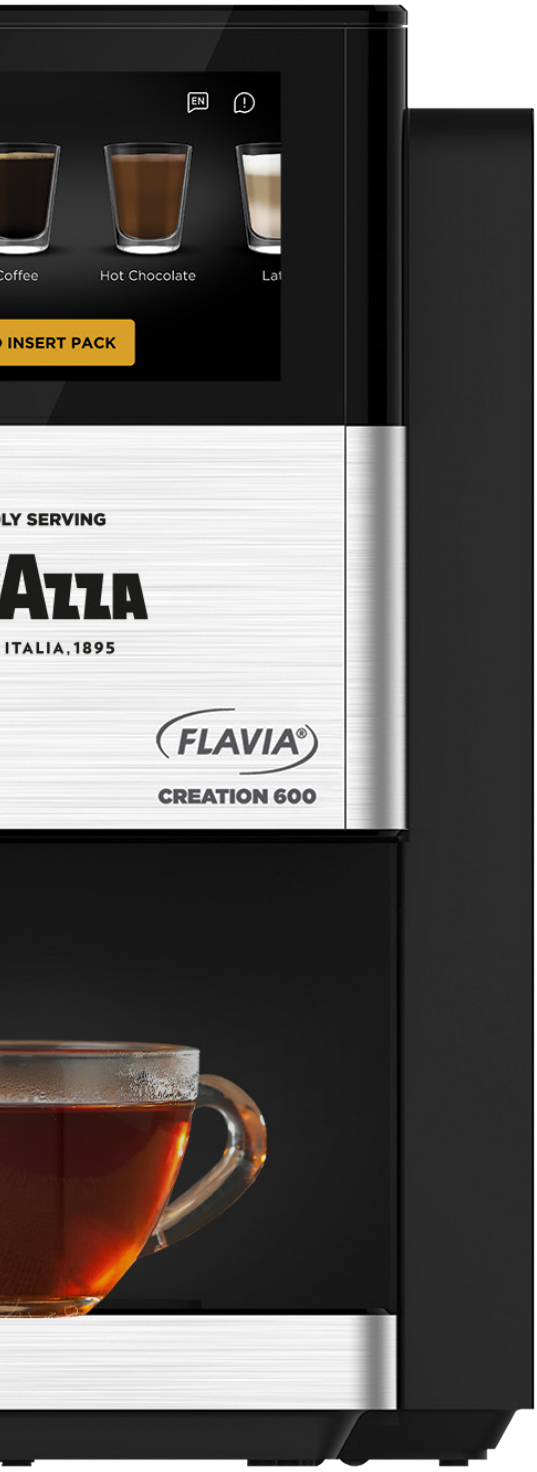
FLAVIA®

Creation 600

A freshly served favourite for everyone

LAVAZZA
PROFESSIONAL

LPUK44



Experience coffee shop quality in the workplace

The all new FLAVIA® Creation 600 brings a delicious menu of high-quality, freshly prepared drinks all served from a single compact brewer, fresh from Bean to Pack to Cup. Each full of authentic flavour every time, all the time.

The perfect choice for your workplace

SIMPLICITY
Hassle-free dynamic brew cycles from our latest Freshpack™ recognition system make perfecting your favourite drink easier than ever.

TECHNOLOGY
Cutting edge technology, built with intuitive touchscreen interface, automatic cup stand and milk frothing technology for total customisation.

CHOICE
Choose from over 15 coffee shop quality drinks, each with custom size options and a complete menu of freshly prepared Lavazza coffees.

RELIABILITY
Hassle-free management and maintenance with industry leading 99% up time* reliability you can depend on, plus real-time diagnostics, to avoid unwanted down time.

SUSTAINABILITY
Helping you achieve your sustainability goals, with A+ energy rating for efficiency and zero waste to landfill in production.

*based on existing FLAVIA® machine base 2020

At Work, For You

Passion, excellence and innovation in workplace vending

FLAVIA®

FLAVIA®

Why not have it your way?

The latest FLAVIA® Frothing Technology can froth any milk directly in the cup, offering unlimited choice of fresh milk varieties or dairy free alternatives - perfectly tailoring your hot drinks to individual preferences.

Fresh milk...

or dairy free alternatives all available

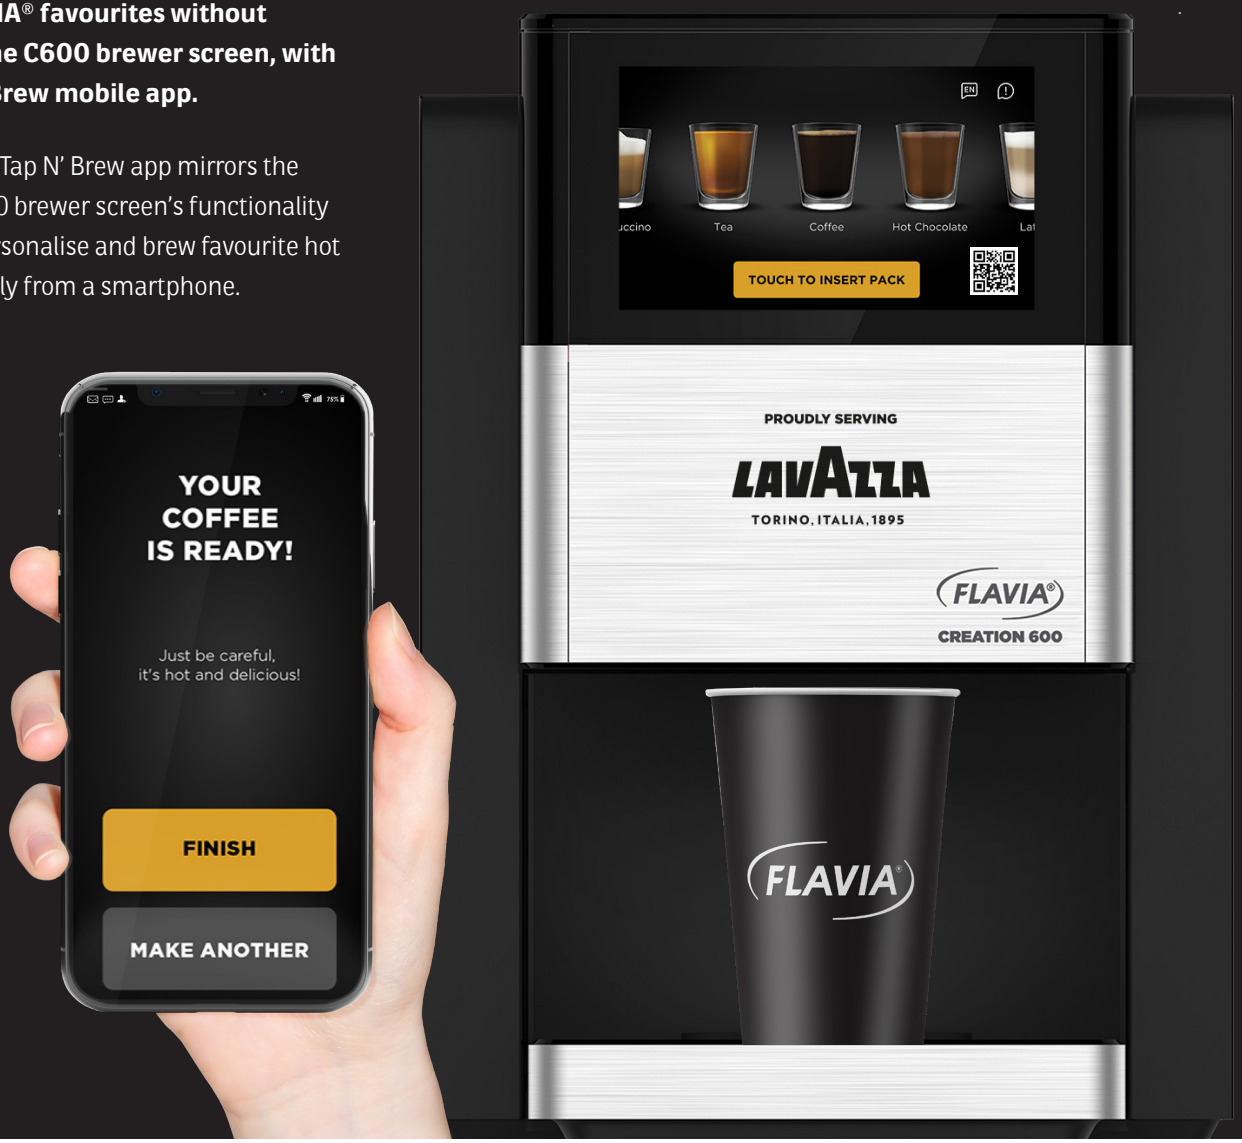
- **Oat**
- **Soya**
- **Coconut**
- **Cashew**
- **Low fat**
- **Skimmed**
- **Semi Skimmed**
- **Full Fat**
- **Almond**
- **... and more!**

Real milk froth Freshpacks™ are available where fresh milk or dairy free options are not.

Personalised ordering with the FLAVIA® Tap N'Brew app

Enjoy FLAVIA® favourites without touching the C600 brewer screen, with the Tap N' Brew mobile app.

The FLAVIA® Tap N' Brew app mirrors the FLAVIA® C600 brewer screen's functionality to select, personalise and brew favourite hot drinks directly from a smartphone.



HOW TO TAP N' BREW

1. Use the in-app scanner to scan the unique QR code on the brewer screen
2. Follow the in-app prompts to select your drink
3. Insert your Freshpack™ (after the brewer door automatically opens)
4. Personalise your drink using the app
5. Enjoy your fresh beverage!

Personalise your drinks with custom sizes

The latest **Smart Brewing** technology removes complications with it's dynamic brew cycles adapting to each Freshpack™ delivering the perfect drink, every time.

Served in your own cup

Whatever shape and size cup, smart sensors adjust the new **Automatic Cup Platform** perfectly to suit - Simply place your cup on the platform before ordering a drink, and the C600 will do the rest.

Sealing in the freshness

Enjoy each delicious drink fresh from Bean to Pack to Cup, brewing directly in your cup with no cross-over of taste or allergens between drinks.

- Only fresh hot water makes contact with ingredients in a Freshpack™ avoiding ingredient and allergen cross-over
- Ingredients are protected from exposure to oxygen, moisture and the open air keeping your drink as fresh as possible
- Just the right volume of water, at the perfect temperature ensuring maximum flavour and reduces energy waste

Maintenance and hygiene

From operation to maintenance, you'll find the FLAVIA® Creation 600 a breeze

Quick and easy to clean and maintain

Low noise technology minimises distraction in the workplace

No mess and no fuss as drinks are dispensed directly into the cup

Used Freshpacks™ are automatically ejected in to a waste container within or beneath the system

Built specifically for the highest possible levels of hygiene for in workplace

Low contact brewing - drinks are ready in just a few taps

Avoid break room backups - brew times in under a minute

Protected ingredients - each Freshpack™ remains sealed until the moment the drink is brewed
